CHORUS

Make love not war,
make love not war,
make love not war,
make love not war.

Well, you can't throw a bomb
with your arms around someone,
make love not war.
If you doubt, think it out and
sing, don't shout,
make love not war.

REPEAT CHORUS

You can do it in the road,
it's pretty hot or so I'm told,
make love not war.
And you can't catch anthrax
when you're rollin' in the sack,
Make love not war.

REPEAT CHORUS

It's such a lovely little earth.
and it's been our home since birth, let's
make love not war.

REPEAT CHORUS

Kiss the earth with your feet
As you're walking to the beat
Of your heart.
Make love not war.
Ah...
A.....men.
